

## Presents for a Purpose

Presents for a purpose is designed to help the families in need, specifically in our community. We have partnered with our school's program, Helping Hands, which supplies the families with food items they need. We have also partnered with Maryville University which will help give the students the desired toys and clothing they might want. Presents for a Purpose will primarily focus on the necessities that the family needs. This will include:

- Towels
- Washcloths
- Tooth Brushes
- Tooth Paste
- Brushes
- Gloves (Toddler-Adult)
- Scarves
- Hats (Toddler-Adult)
- Socks (Toddler-Adult)
- Deodorant (Male and Female)
- Feminine Products

If you would also like to donate wrapping paper that would also be accepted.
