

The Buzz from the Superintendent

The Massa Message: End of Quarter 4

Dear Crystal City Families & Community,

As we close out the fourth quarter, it is wonderful to reflect on what has been a successful and memorable school year. From the first day of school to now, our students, staff, and community have worked together to create an environment focused on growth, achievement, and pride in being a Hornet.

Throughout the year, we have seen accomplishments in our classrooms, on our fields and courts, and across our many activities and programs. Our students have continued to demonstrate a strong commitment to learning, while our staff has gone above and beyond to provide engaging, meaningful experiences that support both academic and personal growth. Together, we have built something special.

At the core of everything we do is what we call “**The CC Way**,” reflecting a commitment to **C**lass and **C**haracter in all our actions. This has been evident in the way our students treat one another, the pride they show in representing our district, and the respect and responsibility displayed each day. Whether in the classroom, in competition, or throughout the community, our Hornets have exemplified what it means to lead with integrity and represent Crystal City with pride.

As superintendent, I am incredibly thankful for this amazing first year. It has been a privilege to serve alongside such dedicated staff, supportive families, and an engaged community, all working together to support our students. The partnerships we have built and the momentum we have created will continue to move our district forward.

As we head into summer, I hope everyone takes time to relax, recharge, and enjoy time with family and friends. Thank you for your continued support and for being such an important part of our Hornet community.

Wishing you all a safe and happy summer!

With appreciation,
Taylor Massa

It's a great day to be a Hornet! ❤️❤️
