Residency and Educational Rights

Students who are in a temporary, inadequate and homeless living situation have the following rights:

- 1) Immediate enrollment in the school district they last attended or the school in whose attendance area they are currently staying even if they do not have all of the documents normally required at the time of enrollment;
- 2) Access to free meals, textbooks, Title I and other educational programs, and other comparable services including transportation;
- 3) To attend the same classes and activities that students in other living situations participate in, without fear of being separated or treated differently due to their housing situations.

Any questions about these rights can be directed to the local McKinney-Vento Liaison, Crystal City School District, Jen Crump, Director of Student Services at (636) 937-4017 ext 1300 or crumpj@crystal.k12.mo.us
